WOULD HAVE A STRING OF PARKS

Cood Suggestion by a Business Man.

It Is in Connection With the Proposed Boulevard Scheme.

Provides for Establishment of a Park at Fort Douglas Covering Eighty Acres.

Another good suggestion in connection with the boulevard scheme has been made by B. F. Redman and mccrporated into the plan of the Commercial club. It provides for the establishment of a park at Fort Douglas covering a tract of land including from 60 to 80 acres. It will be at the end of the boulevard as now planned and consequently of constant value.

String of Parks. It is hoped that in time the boulevard will be extended so as to encircle the city, and in this event this will only be one of a string of parks on its course. The land at present is owned by the Government, and according to present plans, it will be left in their possession, but Congress will be asked to make an appropriation to change this tract of sage brush into a beauti-ful park. Senator Sutherland has already been approached regarding the matter and has offered to give all pos-

Enthusiastic Over Proposition. Mr. Redman is very enthusiastic over the proposition and has worked it up very successfully among the members of the Commercial club. He sees many advantages to be gained from having such a park at the end of the drive, and in fact, feels that it will greatly tend to increase the value of the boulevard. Mr. Redman is a hearty supporter of the boulevard scheme and has contrib-

The establishment of a park at Fort Douglas is strictly in keeping with the plan to build a small one at the startpian to build a small one at the guart-ing of the boulevard near Canyon Road. If both of these parks are com-pleted, persons using the boulevard will have splendld opportunity to rest them-selves and their horses at both ends of the drive. Such shady groves would make a hit with tourists who might find it necessary to make the drive the find it necessary to make the drive un-der a brolling sun. Here in the shade they would be able to rest themselves

and at the same time comfortably view the city, stretched out in the valley be-

DURHAM STEPS OUT.

Political Rival Succeeds Him as Insurance Commissioner. HARRISBURG, Pa., July 1.—Israel W. Durham of Philadelphia has resigned as State Commissioner of Insurance, and ex-Senator David Martin, whom Durham suc-

Senator David Martin, whom Durham succeeded several years ago as the recognized Republican leader or Philadelphia, takes his place.

Simultaneously with the announcement of Martin's appointment the Governor announced the appointment of Capt. John C. Groome of Hosemont to be Superintendent of the State Constabulary, created by the last Legislature. Capt. Groome is commander of the famous First Philadelphia City troop.

The Governor in replying to Durham's letter of resignation said in part:

"In accepting your resignation, it is only just to you to say that no complaint has ever been made to me concerning the conduct of affairs in your department."

duct of affairs in your department."

Clergymen Demanded It. PHILADELPHIA, July 1.—The announcement that State Insurance Commissioner Durham had resigned and that David Martin had been appointed to succeed him was received in this city with surprise. Since the political upheaval recently there has been a general demand by clergymen, religious and other organizations for Mr. Durham's resignation, the allegation being made that the Insurance Commissioner had paid little or no attention to the duties of his office.
